Re: Arctic Slope Telephone Association Cooperative, Inc.'s July 1, 2012 WC Docket No. 10-90, Annual 54.313(a)(2) through (6) and (h) Report of High-Cost Recipient compliance filing

Dear Ms. Dortch:

Arctic Slope Telephone Association Cooperative, Inc. and Arctic Slope Telephone Association Cooperative, Inc. dba ASTAC Wireless "ASTAC" filed its annual reporting requirements pursuant to §54.313 of the Commission's rules. Included in those filings were ASTAC's state of Alaska ETC filing in compliance with the State of Alaska's reporting requirements. It was discovered that we inadvertently reported the incorrect study area code (SAC) as 611449 in our state ETC filings. The correct study area codes, under which ASTAC receives funding are 613001 and 619010.

Refer to ECFS filing receipt confirmation numbers 2012618783398 and 2012618965724 for original filings.

Please contact me with any questions at:
